I. INTRODUCTION

The Lock Catalog extension allow you to lock categories and products that you don't want the 3rd party or the moderator to modify it without your notice.

You can lock a category or a category and it sub-categories easy by clicking the Lock/Lock & All Sub. So the category cannot be modified, delete or move unless you unlock the category.

You can lock a product or a list of product in Lock Catalog Manager. So nobody can modify or delete it.

II. INSTALLATION

a. System Requirements

- Support Magento Community Edition 1.5, 1.6, 1.7, 1.8, 1.9
- All4coding Core v2.1.4

b. Installation

- Login to Magento Admin Panel
- Go to **All4coding > Extension Manager**

- Click the Install button of the extension and follow the instruction on the installation wizard to install the extension. Please Read All4coding Core Manual for more information.

If somebody try to modify the category and save, he will encounter an error “The category try to save has been locked.”

d. Move Locked Category

The screenshot displays the Magento Admin Panel interface. At the top, a notification states: "This is a demo store. Any orders placed through this store will not be honored or fulfilled." The navigation bar includes "Dashboard", "Sales", "Catalog", "Customers", "Promotions", "Newsletter", "CMS", "Reports", "System", and "All4coding". A search bar and user information ("Logged in as nguyenv", "Tuesday, May 26, 2015", "Log Out") are also present.

The main content area shows the "Categories" management page for the "Women (ID: 26)" category. A red error message at the top reads: "The category try to save has been locked." Below this, a modal dialog box is displayed with the text: "The category try to move has been locked." and an "OK" button. The background is dimmed, showing the category's "General Information" tab with fields for Name, Is Active, URL Key, Description, Thumbnail Image, and Image. A "Please wait..." spinner is visible over the URL Key field.

If someone try to move the category, he will encounter an error "The category try to move has been locked."
